INVENTORS' DECLARATION UNDER 37 C.F.R. §1.132

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

We, the undersigned, do declare that:

1. We are the named inventors for the above-captioned application.
2. We are also named as authors on Karasseva *et al.*, *J. Protein Chem.*, 21(4):287-296, 2002.
3. The other authors of Karasseva *et al.* did not contribute to the subject matter of the paper or the above-captioned application in an inventive capacity, as explained below.
4. Valdislav Glinskii provided cell lines for confocal cell binding pictures.

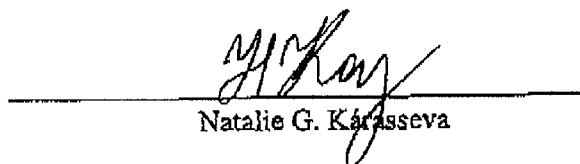

5. Ravi Komatireddy and Nig Chen were undergraduate students that assisted in protein purification studies.

6. We declare that all statements made herein of our own knowledge are true, and that all statements of our own belief are believed to be true, and further that these statements were made with the knowledge that willful false statements are punishable by fine or imprisonment, or both, under § 1001 of title 18 of the United States Code.
